## ABOUT RENFREY PLANT HIRE SERVICES

Established in 1974 Renfrey Plant Hire Services is an award winning National Code Compliant hire provider of heavy earth moving equipment and skilled operators. Renfrey specialise in bulk earthworks, site remediation, pipelines, load haul and major civil infrastructure and mining projects. High quality plant is available for short or long term hire on either a 'dry' or a full service 'wet' basis including operators and fuel throughout Australia. Whether you require just one item or a fleet to do the whole project contact Renfrey Plant Hire Services.
